

<p>PRODUCT DISCLOSURE SHEET</p> <p>(Read this Product Disclosure Sheet before your business/company decides to take up the Cash Line-i. Be sure to also read the general terms and conditions.)</p>	<p>HSBC Amanah Malaysia Berhad Cash Line-i (“CL-i”) Date : dd/mm/yyyy</p>
<p>1. What is this product about?</p>	
<p>The CL-i is based on the Shariah principle of Commodity Murabahah It provides customers with ready access to finance for its business activities such as working capital requirements.</p>	
<p>2. What is the Shariah concept applicable?</p>	
<p>The applicable concept is Commodity Murabahah (cost plus profit). Under this concept, the customer will appoint the Bank as their agent to buy on their behalf, Shariah-compliant commodities, such as non-precious metals, from the Bank as seller at the Bank’s deferred selling price (i.e. cost price plus profit at ceiling profit rate p.a.). After that, the Bank as the customer’s agent will sell Shariah-compliant commodities which the customer has bought, at cost price to another commodities buyer. The customer is entitled to this cost price which represents the facility amount under CL-i which will be paid into the customer’s account. The customer is obliged to pay the deferred selling price to the Bank based on the terms and conditions governing the CL-i.</p> <p>The Cash Line-i’s profit is set at the agreed Contracted Profit Rate (“CPR”) of 15%. However, the Bank will charge the customer based on the drawdown amounts computed at Effective Profit Rate (“EPR” i.e. Bank’s Base Financing Rate plus a margin). The difference between CPR and EPR will be granted as a rebate (‘ibra) to the customer. Thus, provided EPR stays below the CPR, customers are only expected to pay the EPR. The Bank cannot charge the customer more than the CPR under the facility.</p>	
<p>3. What do I get from this product?</p>	
<p>A Cash Line-i limit of RMxxx, once approved, will be maintained in the Customer’s current account. Customer may draw up to the limit and profit rate will be charged on the amount drawn and profit rate plus 1% per annum in respect of Extended Limit (if any).</p> <p>[RM to indicate the end date of the facility based on FOL.]</p> <p>The monthly profit rate will be calculated based on the Effective Profit Rate (EPR). EPR = Bank’s Base Financing Rate (which fluctuates from time to time) + [x]% p.a. Example : Amount utilised x EPR% [RM to indicate]</p> <p>(Our present Base Financing Rate (“BFR”) is at per centum per annum)</p> <ul style="list-style-type: none"> The Bank will only charge the customer the EPR rate and the bank shall grant a contractual rebate (‘ibra’) on the difference between CPR and EPR. 	
<p>4. What are my obligations?</p>	
<ul style="list-style-type: none"> EPR is charged on the utilised amount. 	

- Customer to pay amounts due in accordance to the facility documentation.
- Customer may be required to provide a guarantee or any other acceptable security to secure payments due to the Bank.

5. What are the fees and charges I have to pay?

- Brokerage/Trading fee for commodity trading:
 - Bursa Commodity House (BCH): 15 per currency per million or;
 - London Metal Exchange (LME): 10 per currency per million*
subject to a minimum brokerage fee of USD10 (if commodities traded on the London Metal Exchange are purchased).
- Holding administrative fee (applicable for BCH only)
 - RM10 per million for holding commodity exceeding first two (2) hours and for every succeeding hours
- Stamp Duties
As per Stamp Duty Act 1949 (Revised 1989) and subject to any stamp duty exemption or remission orders, if any, as may be granted from time to time.
- Legal expenses : [RM to indicate]
- Other fees and charges : [RM to indicate the fees/charges as per the existing tariff and charges that customer need to pay]

* Please delete whichever not applicable.

Note: The brokerage/holding fee shall be shared equally between the Bank and the customers. If the Bank decides to absorb the brokerage fees, RMs are to obtain necessary approval from business line.

Where tax is chargeable on any of the above fees and charges, the applicable tax sum shall be imposed in addition to such fees and charges, and shall be payable by the customer.

Please refer to our schedule of tariff and charges at <https://www.business.hsbcamanah.com.my/en-gb/my-amh/generic/rates-tariff-and-charges> for full list of charges.

6. What if I fail to fulfil my obligations?

- Compensation charges:

During financing tenure	1% p.a. on the overdue instalment Formula: overdue instalment amount in arrears x 1% x n/365 (n= number of days overdue) Example: If the customer's overdue instalment amount in arrears is RM100,000 and the number of days overdue is 20 days, the computation of compensation charge is as follows: RM100,000 x 1% x 20/365 = RM54.79
After expiry of financing tenure	Not exceeding the IIMM-rate on the outstanding principal amount (IIMM-rate is the daily weighted average overnight rate for Islamic financial instruments quoted in Malaysia's Islamic Interbank Money Market). Formula: outstanding principal amount x IIMM-rate x n/365 (n= number of days overdue)

Example: If the customer's overdue instalment amount in arrears is RM100,000; the IIMM rate is 2%; the number of days overdue is 20 days, the computation of compensation charge is as follows:
 $RM100,000 \times 2\% \times 20/365 = RM109.59$

- Right to set-off:
 - The Bank have the right to set-off any credit balance in your account(s) maintained with us, at any time with a notice against any outstanding balance in this financing account
- Right to commence recovery activities:
 - In the event of default, the Bank has the right to demand for payment acceleration of the Bank's Sale Price and commence recovery activities such as foreclosure and bankruptcy proceedings.

7. What if I fully settle the financing before its maturity?

The Bank shall, subject to your compliance of all terms and conditions (including one (1) month's written notice), grant an Ibra' (rebate) to you in respect of any early settlement.

Ibra' Formula = Deferred Profit – Early Settlement Charges (if any)

Settlement Amount = Outstanding Sale Price + Instalment due + Late Payment Charges (if any) – Ibra'

Illustration of Cash Line-i Facility Profit & Early Settlement Computation

Cash Line-i facility limit : RM100,000.00
 Contracted Profit Rate : 15%
 Effective Profit Rate : BFR + 2.00% (BFR = 6.60%; EPR = 8.60%)
 Tenure : 1 year
 Tenure Begins On : 01 January 2015
 Tenure Ends On : 31 December 2015

Example of Profit Computation

Total utilisation in January (31 days) = RM100,000.00

The Monthly Profit Charge (MPC) is calculated as follows:

$$\begin{aligned} \text{MPC} &= \frac{\text{Actual CL-i utilisation} \times \text{Effective Profit Rate} \times \text{Actual No. of days}}{365} \\ &= \frac{RM100,000.00 \times 8.60\% \times 31 \text{ days}}{365} = RM730.41 \end{aligned}$$

Example of Early Settlement

Customer wishes to early settle on 31 January 2015, where:

$$\text{Deferred Profit} = \frac{RM100,000.00 \times 8.60\% \times (365 - 31 \text{ days i.e. remaining tenor})}{365} = RM 7,869.59$$

$$\text{Outstanding Selling Price} = RM100,000 + \frac{RM100,000.00 \times 8.60\% \times 365}{365} = RM 108,600.00$$

Early Settlement Charges: RM0

$$\text{Ibra}' = \text{Deferred Profit} - \text{Early Settlement Charges (if any)} = RM7,869.59 - RM0 = RM 7,869.59$$

$$\text{Settlement Amount} = \text{Outstanding Selling Price} - \text{Ibra}' = RM 108,600.00 - RM7,869.59 = RM100,730.41$$

Note: The values illustrated above may change according to a number of variables such as promptness of payments by customer, different amount of disbursement and prepayments.

8. Do I need any insurance / takaful coverage?

Insurance/Takaful coverage is not mandatory for the Cash Line-i facility unless otherwise advised.

Note: customers are free to obtain service of non-panel takaful operators for takaful coverage for the security charged to the Bank.

9. What are the major risks?

- As the effective profit charged is dependent on BFR which is subject to change, you may incur higher profit charges when the BFR moves upward.
- If you/your business/company have problems regularizing your account, contact us early to discuss payment alternatives.

10. What do I need to do if there are changes to my contact details?

It is important that the Bank is informed of any change in your/your business/company's contact details to ensure that all correspondences reach you/your business/company in a timely manner. Changes in your/your business/company's contact details should be formally submitted in writing and duly authorized by the company's authorized signatories. Please contact your Relationship Manager for further clarification.
